

SEBEKA PUBLIC SCHOOL MEAL PRICES 2022-2023 SCHOOL YEAR

- Our lunch/breakfast program requires **PRE-PAYMENT**.
- Payments are due on the first day of school and at the first of each month.
- The School Board has set charge limits on students' accounts of \$10.00 for full paid accounts.
- Free meal students are not allowed to charge any food items unless there is money in their account.
- You must ensure that your child(ren)'s accounts have sufficient funds each month to enable them to eat a school meal.
- If no payment is received and your child has met his/her charge limit, your child will need to pay cash for their meal.
- Lunch payments can also be made on **Infinite Campus**. A link is located on the school website, Sebeka.k12.mn.us.com.

Parents please note: The following are suggested amounts based on participation on a daily basis. Keep in mind it **does not** cover your child(ren) purchasing "extra" items, such as milk. If your child wishes to purchase extra items, you will need to submit additional funds for these.
