

DAVID G. FJELDHEIM—SUPERINTENDENT

SEBEKA PUBLIC SCHOOL

Amie Westberg - K-12 Principal
Rachel Kern - K-12 Counselor
Luke Roberts - Dean of Students
Jon Lillquist - Activities Director

Independent School District 820
200 1st Street NW
P.O. Box 249
Sebeka, MN 56477

November 9th, 2020

Sebeka School will be in person for all grades on Tuesday and Wednesday, November 10th and November 11th. There will be staff inservice on Thursday, November 12th and Parent-Teacher Conferences Thursday afternoon and evening. No school for staff and students on Friday, November 13th.

Starting Monday, November 16th our learning model will change to distance learning for **6th grade through 12th grade** and continue through the Thanksgiving break. It is our plan to have 6th grade through 12th grade back in the building again on Monday, November 30th provided we are able to do so.

Meals will be available during this time on a pickup basis only for these students and adults. Parents will need to notify the food service department if they plan to pick up meals. More information will follow.

Preschool through 5th grade will be in-person learning in the building, transportation will be provided to pick up these grades and take them home at the end of the school day, and meals will be provided for these students in school.
